

Personal Goals & Vision Statement

Planning Activity

Carlos A. Moreno

To see the interconnectedness of visions and goals and how to achieve them, fill out the information below. You will be going from the big picture into the action steps needed.

My Personal Vision Statement

I will become a well-known and respected leader in the Venezuelan politics, revitalizing the ways to do politics without corruption, making good changes in the society with my example and the laws than i will promote to help people live better lives.

This goal will be done with my determination, perseverance, compassion, charity, work and integrity to overcome my challenges and achieve my goals; I will be the best father and husband always trusting in God's design.

My Long Term Goal

I will Become in the governor of my state in Venezuela in 10 year I have enough time to finish my master degree in BYU and start a good political career.

My Short Term Goals are

1. Study Math 2 hour per day
2. Finish my AS degree in Political Sciences this Spring semester
3. Workout 4 days per week beginning New Year!!
